### Welcome Ceremony

First of all, the meeting started with the introduction of Giresun University and opening speeches.

## **Review of the pre and post-assessment forms of intensive training program. Suggested questions for student assessment, review of preparations.**

Evaluation of the intensive training program prepared for 4 students from each university was very important in terms of evaluating the effectiveness of the prepared curriculum, as it was one of the outputs of the project. It was planned to use the BENEFITS Cultural Competence and Cultural Sensitivity Assessment Tool prepared by the project partners for the evaluation of students. In addition, 2 multiple-choice questions on each subject were prepared and reviewed by all researchers and expert opinion was obtained. The final form of the evaluation criteria before and after the training was given.

## **Review of the BENEFITS intensive training program.**

Regarding the Intensive training program, the training topics and plan to be given to the students were reviewed. Detailed evaluations were made about the simulation of the developed new curriculum. It was also discussed that the course topics should overlap with the textbook prepared by the partners. Topics were reviewed again.

## **Students' needs, tutors needs and some example training methods.**

During the intensive training program, the materials and technical support needed by students and tutors were reviewed. Necessary precautions were discussed in order to avoid any disruptions in the curriculum. The risks have been reviewed. The teaching methods to be used were discussed. Instead of traditional methods, it was aimed to ensure the active participation of students in education at the maximum level.

## **Review of the BENEFITS Tool last version and manuscript**

The research article prepared by the BENEFITS Cultural Competence and Cultural Sensitivity Assessment Tool was reviewed by the researchers and efforts were made to publish it as soon as possible and deliver it to all our colleagues.

## **Review of The Benefits textbook. Presenting drafts of book chapters**

All partners in the textbook prepared in parallel with the new BENEFITS curriculum 10 min. He gave information about the chapters to other authors and editors by making a presentation. The meeting was concluded after the evaluation of the meeting.
